Dear *Chanel L,*

On behalf of Bolivia Elementary School's Parent Teacher Association, the student body and staff, we would like to extend a heartfelt thanks to you for your thoughtful and generous donation.

With the help of your donation, as well as others from the community, I feel confident that this years "Fall Festival" will be a great success.

Thanks again and please know that we are extremely grateful for the generosity that you have demonstrated by donating funds and/or merchandise to Bolivia Elementary School.

Sincerely,

*Kelly Tippett, Pres.*

Fayetteville, N.C. 28301

Dear Amanda Culbreth,

This letter serves to request that you serve as a Professional Judge for the Douglas Byrd High School VICA Talent Show on Thursday, December 13<sup>th</sup> at 7:00pm at Douglas Byrd High School in the auditorium, located in the cultural arts building. VICA stands for Vocational Industrial Clubs of America, and is a national organization for high school students. In April 2001, Thirty-two Douglas Byrd High School VICA students won trophies at the N.C. State VICA Competition in Hickory, North Carolina, such as first and second place in the TV Production skills contest. Consequently, we have depleted our club funds to pay for registration, travel, and hotel expenses for this year's students to compete at regional and state competitions in Hickory, North Carolina this spring.

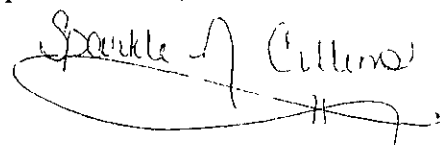

The VICA club members will sponsor this talent show to raise money for VICA regional, state, and national competition in leadership and skills contests, which will include registration, hotel expenses, and travel. At this annual student talent show, we invited student talent from other Cumberland County High Schools to compete. Last year, we raised over 1,800 dollars during this event. Since it is a talent show with many musical groups, we also asked several radio disc jockeys from Fayetteville, and TV professional from local businesses. Thank you again for serving as a judge for the VICA Talent show, which was held on Friday, May 18<sup>th</sup> in the school auditorium.

I appreciate your support in helping the TV Broadcasting classes at Douglas Byrd High School win awards and teach these VICA students the importance of community service. Business and educational partnerships with companies such as 104.5 The Vibe are important for the TV broadcasting curriculum at Douglas Byrd High School to succeed. Thank you again for all your support, and I look forward to working with you again on future projects, and hopefully serving as a professional judge on Thursday, December 13<sup>th</sup> at 7:00pm.

Sincerely,

Patricia S. Barnard, TV teacher  
and TV VICA Students

Dear Ms. Amanda Atkins:

I would like to take the time to thank you for your efforts in making the Jump Rope/Hoops For Heart a huge success. The students were excited about the event, and that is due to all of the Partners in Education that supported the efforts of the students raising money. We are proud to say that we had over 188 participants in the event and raised \$2887.72 for the American Heart Association. You as a supporter should also feel a sense of accomplishment since you too were a contributor to the event.

Thank you for all of your support. As a Partner in Education, the faculty and students of Reid Ross Classical School appreciate your support of school programs and your contributions to the community.

Sincerely,

Dear T.J., Bruce-Bruc, and Amanda,

As advanced TV Broadcasting III-IV students, we wish to thank you for visiting the TV Broadcasting classes on Tuesday, August 27<sup>th</sup>. We appreciate your staff at WCCG Hot 104.5 for taking time out from your work schedule and for spending third period with us. We appreciate WCCG supporting our educational partnership with Douglas Byrd High School, and developing a business partnership with the TV Broadcasting classes at our high school. We especially enjoyed listening to your experiences in the radio and music industries by meeting famous hip-hop singers, planning block parties, and station promotions.

We also enjoyed T.J. and Bruce-Bruc explaining to us how to pursue a career in the radio industry, and wish to thank you for explaining how the radio industry works. We enjoyed meeting former Douglas Byrd graduate Amanda Culbreth, who explained why your station plays Spanish music on Sunday afternoons and the importance of commercial advertising in radio. We appreciate T.J.'s words on the importance of continued education after high school.

Thank you for sharing with us your experiences as radio disc jockeys and promotions for Hot 104.5. We appreciate T.J. letting us interview him about his views on radio and sharing his experiences with TV Broadcasting high school students. We will produce a news package on the experience, and will share it with the school during our daily news broadcast during homeroom. It will also air over the community access channel of Time Warner Cable next month so the community can see your commitment to our high school broadcasting program. We will copy this interview, along with an interview with Bruce-Bruc from last year, on a videotape and send to you.

Thank you for visiting the advanced TV Broadcast students from Douglas Byrd high School, and for giving us some valuable tips on radio broadcasting as a career. In addition, thank you for having the Hot 104.5 employee call us back, and give us an example of his on-air hyped personality. Therefore, we wish to thank you all for sharing your work experiences in radio and music industry promotions. We look forward to perhaps taking a field trip to WCCG, and future shadowing with your radio station.

TO ALL EMPLOYEES,

We sincerely appreciate the outstanding support your staff of WCCG-FM have continually provided the North Carolina National Guard. We are proud of our relationship with the 100 North Carolina counties where we are located in 75 with 94 armories and we've never forgotten that our first mission is to support the local community. Without your generous contribution of our Non-Commercial Sustaining Announcements, we could not adequately man, equip and train the soldiers necessary for our local, state and federal missions.

With your help, we have maintained a force of over 10,300 soldiers throughout North Carolina who serve part-time and are committed full-time to being ready when needed. We have helped thousands of these citizen-soldiers earn a college degree, receive formal training and gain specialized skills. The National Guard is unique among Armed Services, with a dual mission to the state and nation. With lineage dating to 1636, we are proud to be America's oldest Armed Services.

We know how valuable your airtime is and we humbly appreciate the trust you've placed in us. If we can be of service to you now or in the future, please let us know.

They will be given the opportunity to "purchase" items with the "money" they earned this year, and the items you donated to us will be among those available. Students who followed the rules will have the most "money" to spend, and will be rewarded for a job well-done.

Your support of our program and efforts here are greatly appreciated. Thank you very much!

Amanda Atkins  
115 Gillispie St.  
Fayetteville, NC 28301

Dear Ms Atkins

I teach in the Occupational Course of Study at Pine Forest High School. This course emphasizes a hands-on learning approach for Exception Children (the children I teach are Educably Mentally Disabled) As part of this course, I have set up a program in which students are "paid" play money for the time they are in school, as if school were their job. They "clock" in using time cards. They are issued "paychecks" every Friday, which they take to the "bank" to cash. In addition, they are issued bills to "pay", for such things as rent, utilities, and transportation. After cashing their checks, they pay their bills. Most opt to deposit what is left into a "savings account" at the "bank."

As a part of this program, I would like to be able to offer the students items that they may actually purchase from their savings. Would you have any items you may be able to donate for this purpose? Perhaps a group from your organization could sponsor some sort of a drive to collect items, or to raise money to purchase such items

Additionally, it has been my experience that music can be a powerful tool, both to calm down students when they are excited, and to use as a reward. I am looking for music CD's which could be used for these purposes. Suggested types of music include pop, new age/mood music, and nature sounds such as ocean waves, rain, etc

Finally, please be aware that much of the Occupational Course of Study is as "hands-on" as possible. Much of the Life Skills Science curriculum is about Health. We have recently begun a unit on First Aid; other units will cover other aspects of personal health and self-care. Other classes include: Occupational Preparation, which helps students gain the skills they need to find, obtain, and keep gainful employment; and Community Training, which helps students learn how to function successfully within their own homes as well as in the larger community. We welcome guest speakers, as well as the use of any props or aids which may help us in these classes.

Any donations you might provide, whether of money, resources or time in the classroom, would be very helpful

Thank you in advance for any help you can provide!

Sincerely,

Linda Mills

Dear WCCG staff,

As TV Broadcasting II students, we wish to thank you for visiting the TV Broadcasting classes on Friday, February 2<sup>nd</sup>. We appreciate your staff at WCCG 104.5 for taking time out from your work schedule and for spending the lunch hour with us. We appreciate WCCG signing an educational partnership with Douglas Byrd High School, and developing a business partnership with the TV Broadcasting classes at our high school. We especially enjoyed listening to the live promotions broadcast that your radio disc jockey K.G. and D-Rock called-in from Douglas Byrd High School, and dancing to our call-in request.

We also enjoyed K.G. and D-Rock explaining to us how to pursue a career in the radio industry, and wish to thank you for explaining how the radio industry works. We enjoyed meeting former Douglas Byrd graduate Amanda Culbreth, who organized this pizza party, and contacted Pizza Hut who provided pizzas for everyone to enjoy. We appreciate sales manager Zaid Stanley's words on media sales, and the importance of continued education after high school.

Thank you for sharing with us your experiences as radio media professionals for the local radio station WCCG 104.5 The Vibe, and for your business to sign an educational business partnership with the TV Broadcasting classes at Douglas Byrd High School. We appreciate you letting us interview you about your views on radio and business ownership, and for taping video of you talking with TV Broadcasting high school students enjoying a pizza party. We will produce a news package on the experience, and will share it with the school during our daily news broadcast during homeroom. It will also air over the community access channel later this month so the community can see your commitment to our high school broadcasting program.

Thank you for signing an educational business partnership with our broadcasting program, and for giving us some valuable tips on radio broadcasting as a career. Dear Chairman Powell:

Congratulations on the success of the Commission's field hearing on "localism" in Charlotte. We were delighted that you selected North Carolina for the inaugural hearing and glad you gave local broadcasters in our state the opportunity to demonstrate their local public service stewardship.

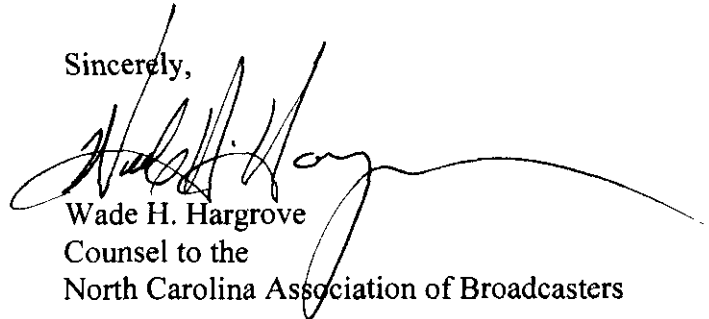

We have submitted for the record of the hearing (under a separate transmittal letter) a collection of documents highlighting some of the public service activity of broadcasters throughout North Carolina. I have enclosed a short representative sample of those documents for your and other Commissioners' review, and I hope that you will refer to these documents as you continue to examine North Carolina broadcasters' commitment to local public service.

Mr. Michael K. Powell

It was a pleasure to have you, Commissioners Copps and Adelstein and the Commission's staff in North Carolina.

Sincerely,
